

# Planning Response to Critical Incidents and University-wide Emergencies [ In Progress ] v0.17

# Planning Response to Critical Incidents and University-wide Emergencies [ In Progress ] v0.17

## Summary

### Objective

To describe the University of Melbourne's methodology for identifying, planning response critical events and university-wide emergencies.

### Background

This process applies to operations and activities under the management and control of the University of Melbourne

**Owner** Stefan Delany

**Expert** Stefan Delany

## Procedure

### 1.0 Assessing the Context of Potential Critical Incidents University-wide Emergencies Emergency Management Consultant

- a The Emergency Management Consultant will establish a framework for responding to potential critical incidents and university-wide emergencies.
- b The Emergency Management Consultant will prepare a high level risk assessment of potential critical incidents and university-wide emergencies.

### 2.0 Developing Response Processes Emergency Management Consultant

- a The Emergency Management Consultant will develop emergency preparedness and response processes for each potential critical incident event assessed to be significant.
- b The Emergency Management Consultant will review response procedures:
  - following a change in the assessment level;
  - following a critical incident response exercise; or
  - at least annually.

### 3.0 Establishing University-wide critical incident response team VP Administration and Finance

- a The VP Administration and Finance will establish a Critical Incident Response Team.
- b The VP Administration and Finance will be supported by the Associated Director Health and Safety in establishing the Critical Incident Response Team

### 4.0 Establishing emergency response team - Parkville Director, Emergency Management Consultant

- a The Director Campus Services will establish an Emergency Response Team to respond to emergencies requiring escalated response beyond the local building emergency procedures.

- b The Emergency Management Consultant will draft and maintain the emergency response plan and operating procedures
- c The Emergency Response Team leader will be responsible to reviewing and approving the the emergency response plan and operating procedures

### 4.1 Establishing emergency response team - Non-Parkville Head of Department, Emergency Management Consultant

- a The Head of Campus/Campus Manager will establish an Emergency Response Team to respond to emergencies requiring escalated response beyond the local building emergency procedures.
- b The Head of Campus/Campus Manager will be supported by the Emergency Management Consultant in the establishment of these teams

### 5.0 Implementing Critical Incident Response Team VP Administration and Finance, Heads of Divisions

- a The VP Administration and Finance (or nominated alternate) will determine if the Critical Incident Response Team is required to activate.
- b Heads of Budget Division, Faculty Executive Directors and Directors may trigger a request to implement the Critical Incident Response Team
